

Student Interests Form - September 2022

Student name: _____

To help us allocate your daughter/son to classes, it would be very helpful if you could return the following information to Danella Goodman, Office Manager, by Friday 10 June 2022.

Does your child play, or wish take lessons in playing, a musical instrument?

Yes No

If yes, please give details

Has your child had board music tuition at primary school? If so, will does he/she wish to continue?

Yes No

If yes, please give details, including any grades taken

The sports curriculum at an Integrated school is planned to ensure that all students have opportunities to take part in sports which have traditionally belonged to one community or the other, and also sports which have always crossed the divide. It would be helpful to know the sports your child already enjoys and whether s/he plays for a team, is a member of a club or takes lessons or trains in sport, including dance and gymnastics.

We offer two languages to all Year 8 students. Please mark the following languages **in order of preference from 1 to 4**. Your child will be allocated to classes for two languages, giving as many students as possible the languages they would prefer. Places will generally be allocated on a first come, first served basis.

Spanish German Irish French

If your child already speaks one of these languages, or has already studied a language at primary school, please give details. We will take this into account.

Friends - Moving to a new school is an opportunity to meet new people and make new friends. On their first day, Year 8 spend time getting to know each other. If, however, there is **one** friend with whom you would like your child to be in the same form class, please give their name below. We will endeavour to accommodate this request although, given language preferences, it is not always possible.
