

Shimna French

We have created French classrooms on **quizlet.com** allowing our students to quickly gain access to their textbook topic vocabulary that we make available to them. Quizlet is a free website and app that students can use to learn and practice their vocabulary, translation, reading and listening skills using 6 different study and game modes to help reach all learners. Flashcards also have built-in audio making this tool perfect for practicing pronunciation, learning new vocabulary and listening. We would ask that you ask your child to use Quizlet regularly so that they are well prepared for the demands of the reading, listening and translation tests.

Simply log in to [Quizlet.com](https://quizlet.com) / Search for Yr 8/9/10/11/12/13 OR 14 French Shimna/ Click “join”
